**Integrated
Systems
Europe**

Dear participants of the ISE 2019 conference,

On behalf of all the GVB staff I wish you a very warm welcome to Amsterdam and ISE 2019.

Integrated Systems Europe is the world's largest exhibition for AV and systems integration professionals, a location where markets and people come together to collaborate, learn and do business. The 2019 edition will attract over 1,300 exhibitors and 80,000 attendees, making it the biggest ISE so far.

In addition to the Amsterdam RAI, the nearby Hotel Okura is playing a significant role at ISE 2019. From 5 to 8 February, this five-star hotel will host an exciting programme of conferences addressing key vertical sectors: XR, Digital Cinema, Digital Signage, Hospitality and Visitor Attractions.

Since the summer of 2019 the new fast metro line M52 between Amsterdam north and south is in operation. In just a few minutes it brings you from the Amsterdam city centre to station Europaplein for ISE 2019 at RAI Amsterdam. The M52 runs every 6 minutes.

In this leaflet you will find all the useful information about the convenient GVB Public Transport system and how to get from/to ISE 2019. We are proud to accommodate your journey from/to RAI Amsterdam for ISE 2019 and throughout our wonderful city of Amsterdam. We hope you will have a very successful ISE 2019 and enjoy our hospitable, diverse and open-minded city.

Yours Sincerely,

Drs. Alexandra C. van Huffelen
CEO GVB Public Transport

Travelling by GVB metro, tram or bus

In public transport you travel with an OV chip card. At the start of your journey you check in and at the end of your journey you check out again. If you stay for several days, we recommend a GVB 24 to 120 hours card. You can travel unlimited with GVB for the number of purchased days. For example, the price of a 24-hour ticket is € 8,00 and a 96-hour ticket costs € 24,50.

The tickets are available at our special GVB mobile point of sale at Europaplein in front of RAI Amsterdam. You can also purchase these tickets in our vending machines at the metro stations, at a number of stops, at GVB Service & Tickets and through your hotel reception. You can pay by debit- or credit card. The GVB tickets are not valid with other public carriers or on the NS train.

We wish you a very pleasant journey with GVB.
